# Highlights

## RVIA Certified

RV Industry Association-certified, our Noovo meets over 500 safety standards across electrical, plumbing, heating, fire & life safety, and construction, facilitating easier financing, insurance, and resale.

## Remote work friendly

Noovo is one of the most connected vans ever built. With satellite internet via Starlink, you can enjoy fast and reliable internet connectivity, even in super remote areas.

## Hot shower & Built-in toilet

Noovo features a spacious private bathroom with a Thetford C223 toilet, an external waste disposal, a high-pressure shower with instant hot water ensuring optimal comfort.

## Off-Grid Lithium System

Designed for off-grid living, Noovo offers customizable power options. Equipped with lithium batteries, solar panels, shore power, and an ACR charger, it allows for campground charging or total off-grid living.

## Fully Equipped Kitchen

Noovo offers mobile comfort with a fast, clean induction cooktop and a 12V fridge for fresh meals and chilled beverages. Enjoy homely convenience amidst breathtaking views!

## Sleeps up to 4 people

The bedroom will provide you with the comfort of a luxury hotel. It comes equipped with an RV queen-sized 6" mattress, and you can accommodate two additional guests with the double seat (isofix system included) and the pop-top tent. Perfect for families!

# 100% Off-Grid

Travel freely, no need to plug in - our lithium system offers boundless energy, granting you the ultimate freedom to explore without energy worries.

## Satellite Wi-fi

Stay connected wherever you go and enjoy the flexibility to work from anywhere.

## Lithium Batteries

One of the strongest lithium system available on the market. Up to 1320 Ah.

## Hot water & Heater

On demand gasoline fired hydronic furnace and hot water system.

## Roof AC

Use your AC overnight even when you are not connected, and go totally off the grid!

## Water tank

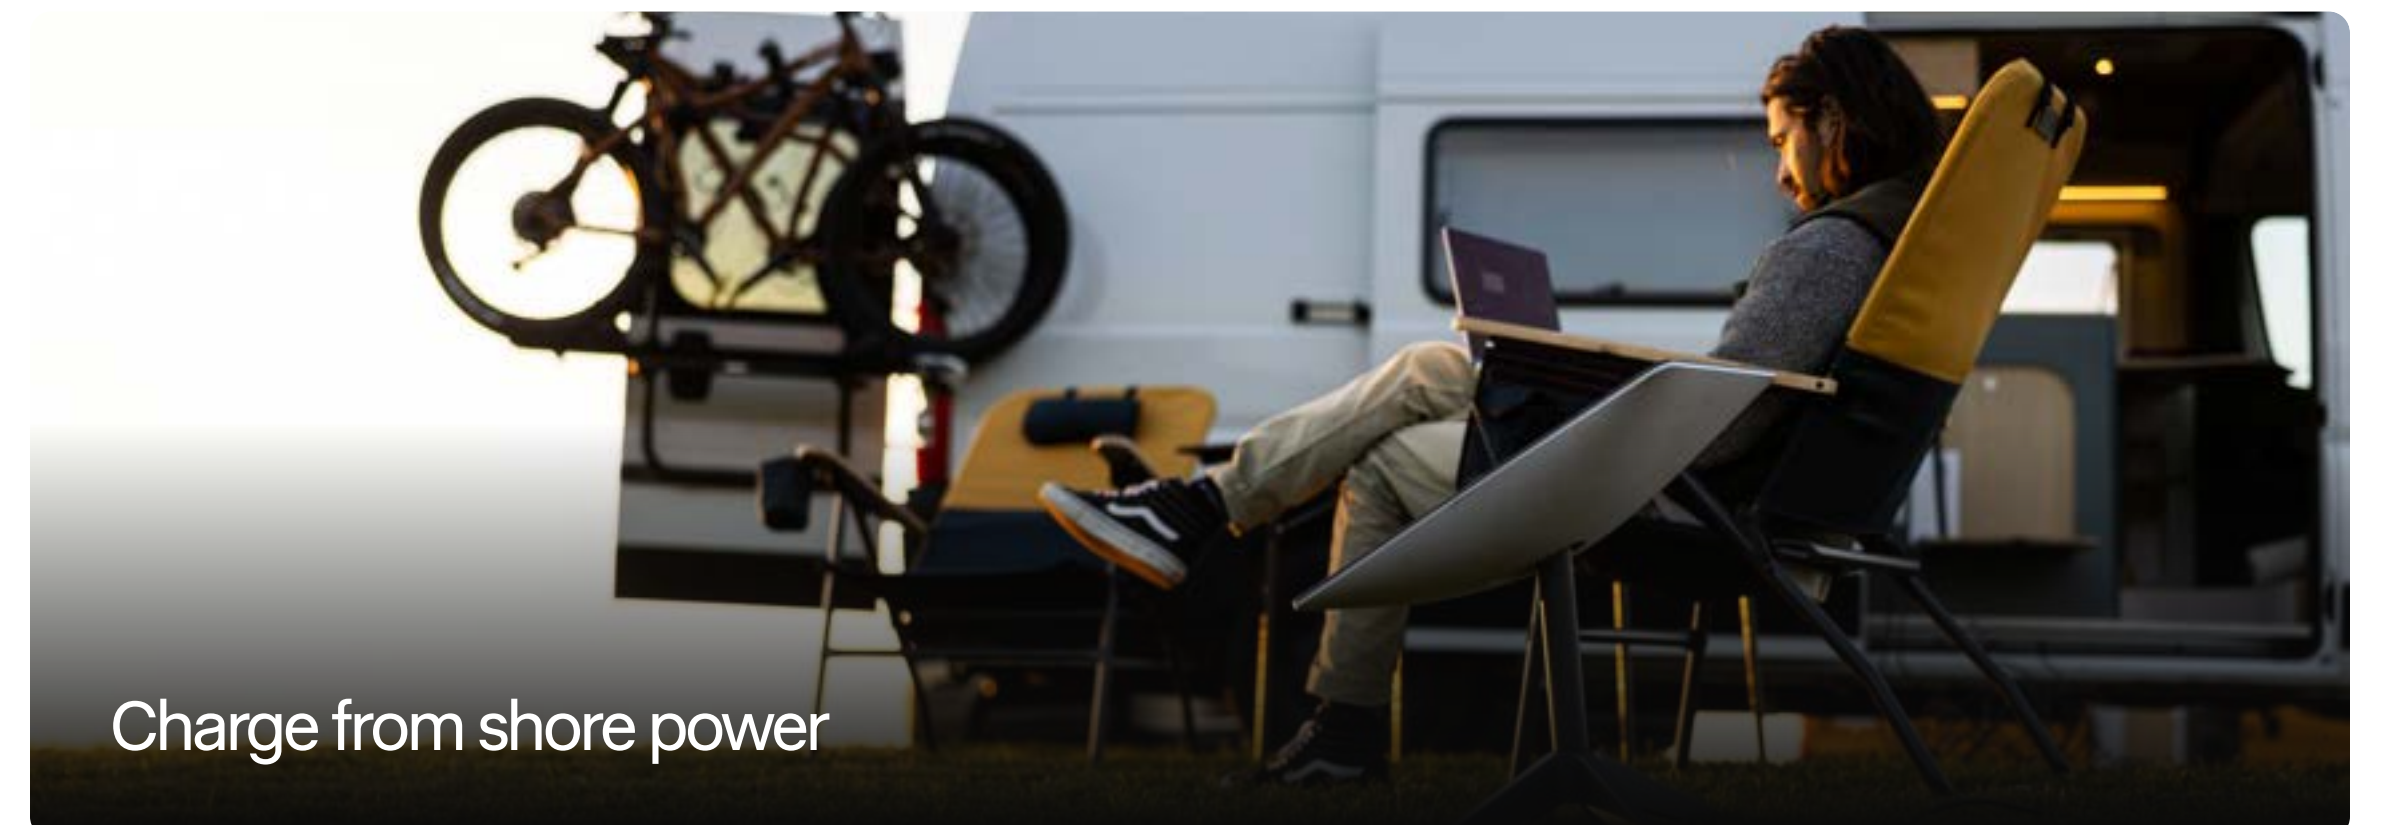

With 40-gallon Water Tanks, you can spend days without having to refill!

Charge when you are driving

Charge from the 200-watt solar system

Charge from shore power

“Noovo is a truly viable option for everyday living”

A woman with blonde hair, wearing a tan beanie and a plaid shirt, is driving a vehicle. She is looking out the window at a desert landscape with red rock formations under a clear blue sky. The interior of the vehicle, including the steering wheel and dashboard, is visible.

Make it yours!

# We've built 300+ vans that people call home.

Whether you're a travel nurse, remote worker, retiree, or anyone else, enjoy the lifestyle you want with a camper van tailored to your needs.

Want to talk with a customer? Contact Marcy (retiree), contact Amy (nurse on the road), contact Korey (outdoorsy host).

## Veronica

"The van exceeded all our expectations, not only on the road but also when stopping and enjoying its attributes."

## Marcy & Amy

"All I can say is going with Noovo was the best decision we made for our home on wheels. Wouldn't change a thing!"

## Fallon

"I have been in my van for over a year now and I'm still loving it!"

## Patrick

"I loved the customization options and have been impressed with the results! I was so glad with my decision to choose this company."

# Select your pre-made design

☐ **Baja**

Baja is our traditional model and our most popular! Crafted with high-quality oak Formica laminate, this model features a natural wood ceiling and light grey cabinets for desert dreaming.

☐ **Jungle**

Crafted with sustainable bamboo laminate, the Jungle model offers a bright and sunny vibe. Bamboo doors and cabinets provide an earthy contrast to the white ceilings and countertops.

☐ **Forest**

Step into the soothing tones of the Forest with a pop of cool colors on your counters and cabinets. Crafted with high-quality walnut laminate, this model offers a natural, calming vibe.
